FOREWORD

As we look back at the past four years, we view an unusual high school career. In the first two years, because of double sessions at Roger Ludlowe, we left our first alma mater as the street lights went on, and then for a year we became used to starting out for school as the street lights went off. In our junior year, after three years of growing friendships, it became evident that the "new high school" would be completed shortly, and consequently, in September, 1956, those of us from the eastern section of town found ourselves in a new, still-to-be-completed school, adjusting to the idea of two high schools in Fairfield and faced with a completely new plan for secondary education, the House Plan.

This House Plan was de-

vised by the teachers and administrators in Fairfield to provide for us a more satisfactory means of education in two large high schools. In any large school it is difficult for one of us to become well acquainted with all his teachers as well as with all his classmates. By separating our school into four houses and permanently assigning one fourth of the pupils and teachers to each house it is hoped that every house will provide the atmosphere of a small school and instill in us a feeling of belonging. At the same time we will benefit from the numerous facilities found in a larger school. This innovation enables our large student body to operate in smaller units which creates a feeling of unity within diversity.

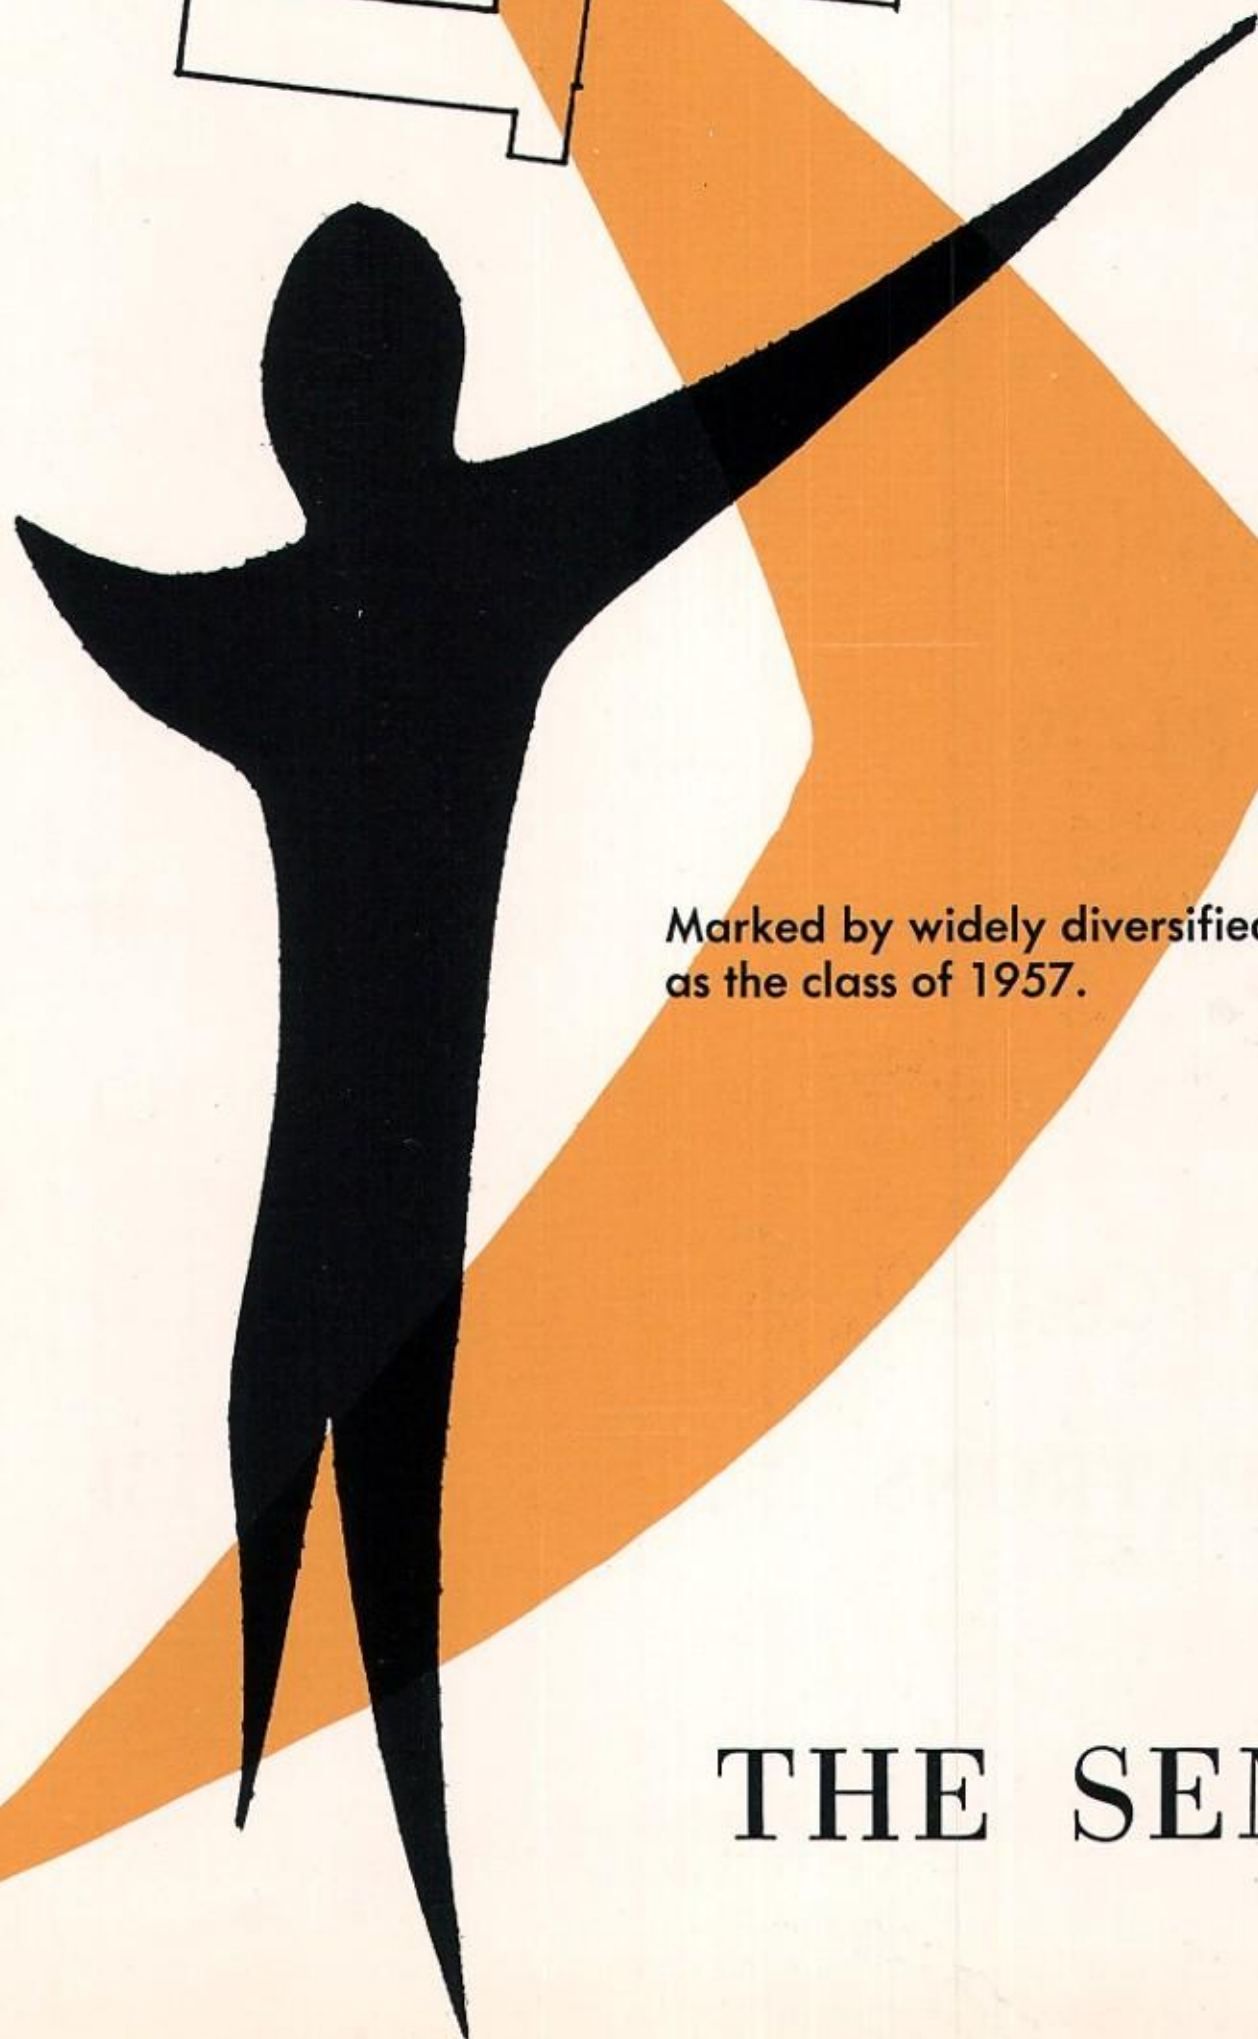

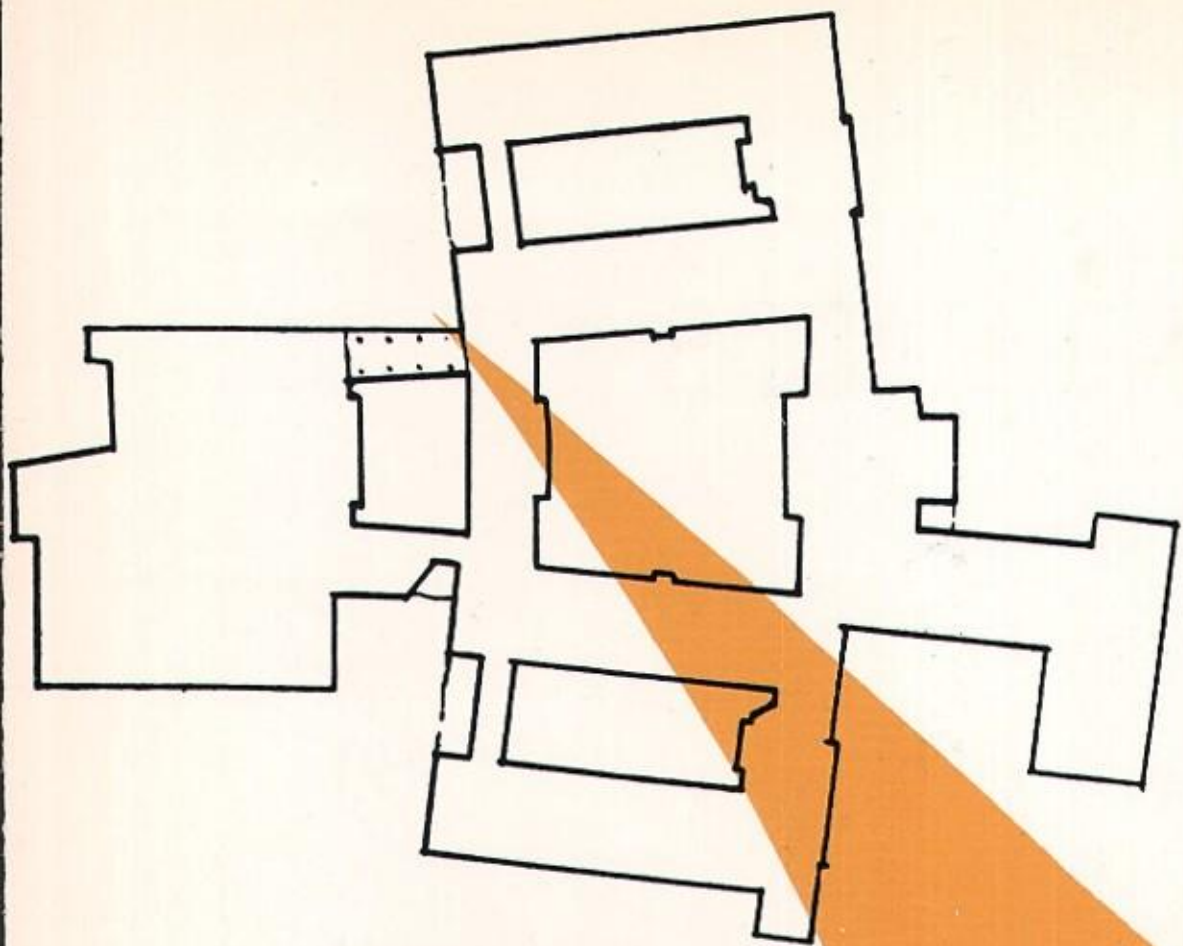

To The Future Classes at
Andrew Warde:

In dedicating our yearbook to you we are offering more than a book of paper and print; we are dedicating, as a history and guide, our entire senior year including the standards and traditions we have established during this opening year of Andrew Warde. We hope that our experiences as the first graduating class will provide a strong foundation upon which you will build the enduring traditions and standards that are so vital a part of all school life.

Carol, Gail, Bruce, and Emil hopefully campaign for freshman offices.

the local American Legion Oratorical Contest conferring upon us much honor. How proud we were to attend the school which harbored the New England Basketball Championship trophy. So hopeful were we for our 1954 varsity basketball team that we felt no sorrow in cancelling the traditional Sweetheart Swing in favor of cheering our team on to victory in Boston, and we were not disappointed. It was a wonderful year and a once-in-a-life-time experience.

The Junior year found us attending school in the morning. This was a year of great momentum. Under the leadership of Joe Renaud, president; Bruce MacGregor, vice president; Judy Brown, secretary; and Carol Terebesi, treasurer, we accelerated our fund raising which was to see us through our senior year expenses. The sale of book covers and beanies was our first project. For the first time canteens were instituted to follow our home basketball games. Our class, some members as participants and others as spectators, enjoyed the Komian play, *Our Miss Brooks* and the Thespian play, *Time Out For Ginger*. A few of our classmates, having completed the membership requisites, were thereupon inducted into the National Thespian Society.

This, too, was the year for recognitions of academic achievement. Many of us achieved the honor of forming the Daisy Chain and ushering at graduation exercises. Still greater honor was bestowed upon Barbara Hartt, Joan Ringelheim, Judy Brown, Faith Bunker, Anne Sostowski, Judy Semple, Emil Frankel, Charles Chotkowski, Susan Sheatsley, and Warren Munkasy in being elected to the National Honor Society. Warren Munkasy brought further credit to the class by being chosen to go abroad by the National Association of Student Councils.

Eager, yet apprehensive, we entered the doors of Roger Ludlowe High School four years ago to begin our high school career. We were fresh out of pigtails and knee pants, but we were determined not to show anyone — we could find Roger's Pool alone without the directions or aid of the sophomores, who also attended the afternoon session.

Fall passed quickly and winter was met by flying snow, which caused the postponement of our Get-Acquainted Dance. Nevertheless, friendships budded and flourished and the Freshman class united under the elected leadership of Carol Terebesi, president; Emil Frankel, vice president; Gail MacLeod, secretary; and Rudy Penczer, treasurer.

Pride swelled within us when we witnessed the performances of our talented classmates in the Father's Club Show, and the fine acting endeavors of Charles Chotkowski and Bev Kovacs in our Freshman-Sophomore Play.

A Freshman field trip to the United Nations afforded us great pleasure and enlightenment, as well as sore feet and armloads of souvenirs. The months following passed quickly, and June found us shaking off our first high school exams to close a very happy year.

Knowing all the angles and answers, we returned as veteran sophomores, confident of our place in our school. The election of sophomore class officers, Emil Frankel, president; Judy Brown, vice president; Judy Olton, secretary; and Bruce MacGregor, treasurer, showed that there would be nothing but the best in store for our class.

This was to be a year of great accomplishments. Roars of laughter were heard at the successful performance of our Sophomore play, *She Laughs Last*. Joan Ringelheim won

Casually posed during rehearsal break of the Sophomore play are acting talents Barbara Greenspun, Joan Ringelheim, Liz Lawless, Peggy Snyder, Peggy French, Barbara Plotkin, Gail Goulding, Wanda Severa and Sandy Shapiro.

HISTORY

The Junior formed Daisy Chain handsomely framed the graduating picture.

Enhancing the prom receiving line are Joe Renaud, Gail Macleod, Joe Spisak, Carol Terebesi, Bruce MacGregor and Judy Wittenberg.

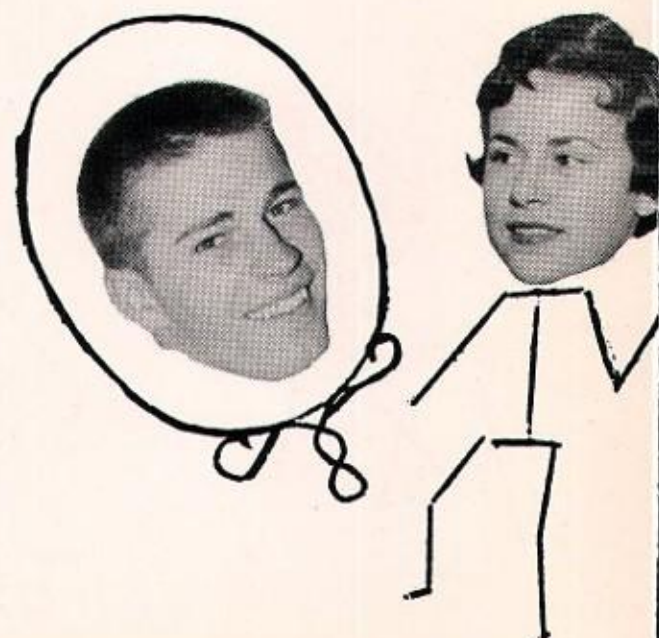

All the months of preparation for and anticipation of our Junior Prom were not in vain. Our prom with its theme, "The Loveliest Night of the Year", did not belie the name chosen for it.

During this year our class faced the challenge of our high school years with the knowledge that eventually we would be separated into two groups to attend two high schools. And so we entered Andrew Warde with mixed emotions, a confidence of future success and a sadness at leaving Ludlowe. We realize the tremendous responsibility before us, the responsibility that comes with being the first graduating class in a new school. It was our task to set up the traditions that would distinguish our school from all others. On our shoulders lay the burden of being school leaders.

Now as seniors, the underclassmen will look up to us for guidance in the same way that we had once looked up to the seniors at Ludlowe. With the memories of shared experiences cementing together the friendships which we enjoyed for three years, we looked forward to our senior year which is reproduced in the following pages.

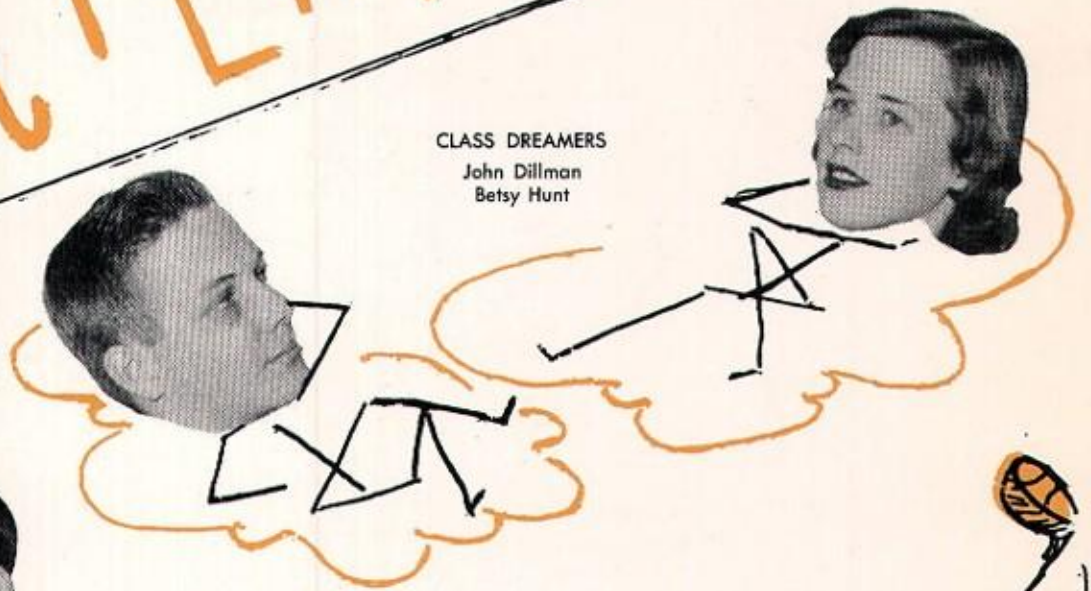

Senior officers: Bev Reed, Emil Frankel, Bev Kovacs, and Lou Broderson.

CHEERLEADERS

"Oh, my achin' back," "I just can't walk another step," "Ohhh!"

Yes, you probably heard these anguished words many times in September. Why, of course, all the moans and groans were from the sixty odd girls who tried for positions as Andrew Warde's first cheerleaders.

Regardless of the aches and pains, ten girls reigned triumphant, including freshmen Wilson Lineburgh and Lisa Lansing, sophomore Judy Wittenberg, juniors Betsy Miller, Susie Ribner, and Marilyn Pacione, and of course seniors Joan Kostan and co-captains Kay Gilligan and Nancy Feather.

These girls had the difficult task of beginning the his-

tory of the Andrew Warde cheerleaders, with new cheers and techniques that will set the precedent for many years to come. After many days of practice, they made their football debut in flashy crimson uniforms, which they made themselves, and with the aid of the spectators, successfully cheered on our new football team.

After the close of our not too successful, but enjoyable, football season the vivacious cheerleaders reappeared at basketball time to spur our team with renewed pep and vitality.

We certainly all should give a cheer to the ten who helped make our first sports year entirely successful regardless of the number of wins and losses. BRAVO!!

SOCCER

This year's varsity soccer team, captained by Joe Cataldo and John Elwood, met with a trying season. Though it could hardly be called successful, the team holds one important, never-to-be-forgotten distinction; it won the first boys' varsity interscholastic game in the history of Andrew Warde High School, a 3 to 2 victory over Greenwich.

At the beginning of the season the team was severely handicapped by lack of experience as shown by five straight defeats. Suddenly the team came into its own; they very nearly upset Norwalk's county champions in a 2 to 1 loss. The next game marked their victory over Greenwich and the season ended with two close defeats by Ludlowe and Stamford respectively.

The leading seniors of this '57 team were Bob Biebel, Lew Yurdin, John Elwood, Emil Frankel, Joe Cataldo, and Bill Godo. Next year's veterans will be Al Schmidt, Laurie Taylor, Doug Holmquist, Joe Salmon, Al Rosenthal, Dick Tobish, and Bill Lyons.

CROSS COUNTRY

In Cross Country, a sport which separates the men from the boys, Warde's "men" had rough going this season against very strong competition. Although lacking in equipment and runners, the team was excellently coached by Mr. Frederick Klee. The team was well represented by Don Smilovitz, who placed first in several meets. Don also came in thirteenth place in the County Meet, which had about one-hundred and seventy-five entries competing. The other lettermen who composed Warde's first Cross

Country team are Steve Tower, Lenny Sohlberg, Glen Shaffer, Joe Pechulis, and Seth Weintraub. Although defeated by a close score of 28-29, Warde's harriers made their best performance against Harding, one of the better teams in the county. Scores of the other contests consisted of one forfeit by Stratford and five losses. With an established team, better equipment, and a larger turnout, along with returning veterans next year's Warde's Cross Country team promises to become a winning one.

The first football team to represent Andrew Warde High School, coached by Mr. Fern Tetreau and captained by Russ Jennings and Bob Kasvinsky, was ably managed by Bob Noga and his assistant managers Lenny Blum and John Vince.

A successful season was prevented by the lack of experienced players; "Kas" was the only returning letterman on the squad. Although lacking experience, we faced our opponents with spirit and determination.

A veteran-filled Greenwich team handed us a 40 to

7 defeat in our first encounter of the season. Ben Slesinsky had the distinction of scoring Warde's first touchdown. The touchdown climaxed a sixty-five yard drive, which featured the running of Al Greco and Joe Renaud. As a result of breaking his leg during the kick-off, Dick Galley was sidelined for the remainder of the season.

A strong Milford squad defeated us by a count of 39 to 0. Though never striking paydirt, our passing attack netted one-hundred and twelve yards on seven completions.

In the Darien game, our offense was sparked by the

passing of John "Rebel" Condon and Ben Slesinsky. After receiving a pass from "Rebel", Bob Kasvinsky lateraled to Andy Fertko, who sprinted thirty yards for a six pointer. John Pekar then hauled in two Slesinsky aerials for twenty-one and thirty-two yard gains. This drive culminated in our last touchdown. The game ended in favor of Darien, 50 to 12.

The Bassick contest was an unhappy affair. John Pekar and Bob Kasvinsky were both forced to leave the game because of injuries. For Warde the game ended in a sad loss.

The teams best effort, as well as one of the most exciting games, was against the Bullard Haven's eleven. Although the Tech boys were victorious, the game was nip and tuck all the way. Our only score of the afternoon was gained through a razzle-dazzle play in which Slesinsky passed to Dakai, who in turn lateraled to All Greco. The team had two drives halted within the Bullard Haven ten-yard line. The heralded defense was displayed at its gallant best.

Won't get far that way!

The first Andrew Warde basketball team turned in a record of 4 wins and 13 defeats. They twice overcame Ludlowe and Tech. In the beginning of the season, Coach Bob Seirup counted on seniors, Dick Dakai and Bruce MacGregor, to be the big guns for the Eagles. As the season progressed, Jim Jankowski's aggressive play and the heavy scoring of vastly improved Lou Kochis were invaluable assets to the team. The only two juniors on the squad, Jack Mentas and Cris Costello, demonstrated some creditable performances, along with senior, Al Jacobs. Five promising J.V. hoopsters gained experience during the season. They included Howie Ratner, Tom Tuzzio, Ray Vlader, Doug Holmquist, and Laurie Taylor.

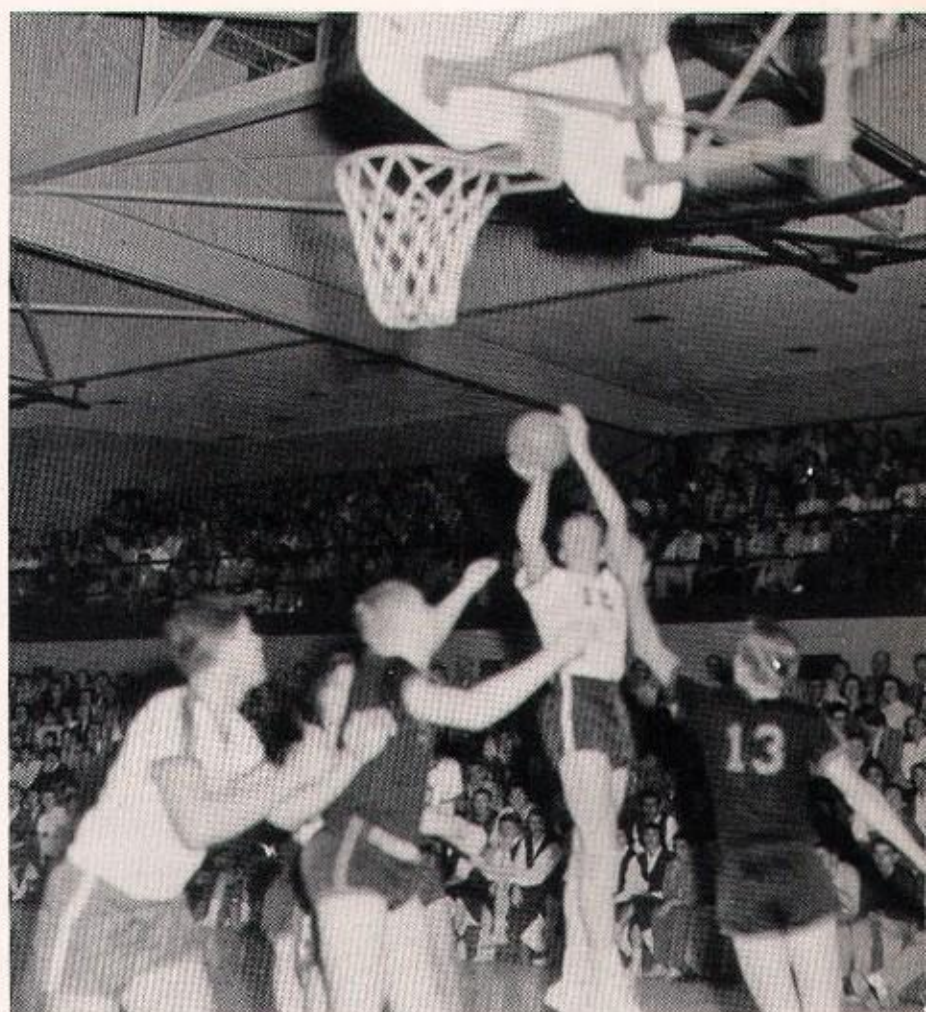

Our first contest, which proved to be a 55-52 overtime victory over Roger Ludlowe, took place at the Mill Plain gym. The game was nip and tuck, and tension-packed. At the end of the regulation time the score stood tied at 49. The Warde boys quickly spurred to the lead in the overtime and then protected their lead. Dick Dakai was the outstanding Warde rebounder and scorer, as he tallied 20 points. "Jank" hit consistently and bucketed 14.

Unfortunately for the team, they had to make schedule changes and play all these games away until the new gym was finished. The Eagles played nine away games in a row, only winning one.

Stamford, Norwalk, and Stratford handed us three straight trouncings. On the other hand, Harding topped us, 105-75, by the fact they dunked in a fantastic percentage of their shots. Our team played well and scored in rapid repetition. Heading the list of scorers was Dick Dakai with 27, while Mentas and Kochis had 14 and 13 points respec-

tively. Warde succumbed to Milford, who took advantage of a tremendous scoring spree, and to the Bassick Lions in a hard-fought game.

Our six-game losing streak was terminated at the expense of Bullard Havens on their home court. Warde, leading throughout the game, outrebound and outshot the opponents. Bruce MacGregor was our top scorer with 17 points, followed by Dakai, who dropped in 16.

After losing to Prep, the boys tangled with Stratford in the first game at the newly completed Warde gym. The visitors, who had previously sailed to a 71-42 victory, found rough competition this time, although they pulled the game out of the fire in the last quarter, finally winning 55-40.

The Eagles next encountered Milford in one of the most exciting games of the schedule. Milford edged by us for a 1 point overtime victory, 63-62. Our boys made a spectacular effort in the closing three minutes of the regulation game, by eliminating an 8 point deficit. Dick Dakai, Lou Kochis,

and Bruce MacGregor led the Warde scorers, hitting 19, 16, and 15 points respectively.

Three out of our next four decisions were losses. In the Bassick game Warde made a mediocre showing, but Central and Harding found rough sledding — only piling up their point totals in the dying minutes of each game. Tech again fell prey to the Eagle attack, providing us with a much needed victory. The final score was 57-49, as Bruce MacGregor accounted for 19 of Warde's points.

The final game of the season saw a return match against Ludlowe. Our cross town opponents, depleted by injuries and further hampered by top notch Warde teamwork, never made a contest of it. The Crimson and White, completely dominating the backboards, always maintained a sizable point advantage. Topping our scoring column were three seniors bowing out of the basketball limelight. Dick Dakai was individual high man with 21, closely-trailed by Bruce MacGregor with 16, and Lou Kochis who dropped in 11.

GIRLS'

Future generations of puck chasers will be faced with the inevitable challenge of equaling the undefeated, untied, 6-0 record of Andrew Warde's first girl's hockey team. The girls, ably coached by Miss Helen Carroll and Miss Mary Carley, were sparked by strong front line players, Jane Pierce, Judy Ellis, Sandy Mentes, Gina Clarke, and Carolyn Newbold. The strong defensive line, composed of

Nancy Clarke, Carol Terebesi, Lynn Goulding, Chris Lawrie, Gail Goulding, Judy Brown, and Judy Pastore, held their opponents to a single goal for the entire season. The teams that tasted merciless defeat at the hands of the Fairfield "Eagles," were Ludlowe, Westport, New Canaan, Danbury, and Stamford. The "Eagles" ended their victorious season with the impressive record of scoring twenty-two goals, with

only one goal scored against them.

In the Alumnae game, the highlight of the initial season, the winded graduates suffered humiliating defeat. The sport's day, held at the Greenwich Academy, was another memorable event of the season; it was there that Warde tied Bolton 1-1 and went on to defeat Danbury 3-0 and Bancroft 8-0. Judie Ellis made the Styvestant all school-girls' reserve team with Carolyn Newbold and Lynn Goulding receiving honorable mention. Judy Ellis, Sandy Menten, Gina Clarke and Jane Pierce, with the rest of the team, practiced hard toward achieving their record season.

The Junior Varsity squad finished their season with a 3-2-1 record. More important, the girls acquired valuable experience toward becoming members of next year's varsity team.

Jane was assisted in the forward positions by seniors, Sandra Montes, Carol Terebesi, who was second high scorer, Lynne Abromaitis, and Judy Brown. The guards were Gina Clarke, who also turned in some fine performances as forward, Nancy Clarke, Joan Heady, Suzy Ribner, and

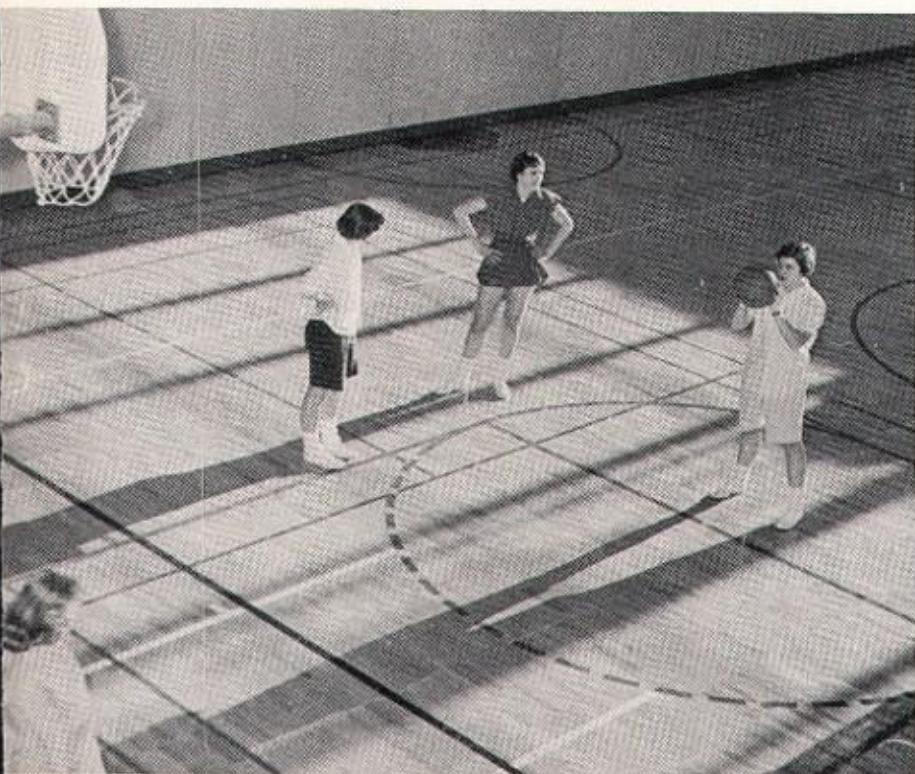

Lois Martenson.

The Junior Varsity team ended the season with a 2-1-3 record, and gave many girls an opportunity to participate in interscholastic competition and gain valuable experience for next year. TRACK

Enthusiastic underclassmen signing up for the track team.

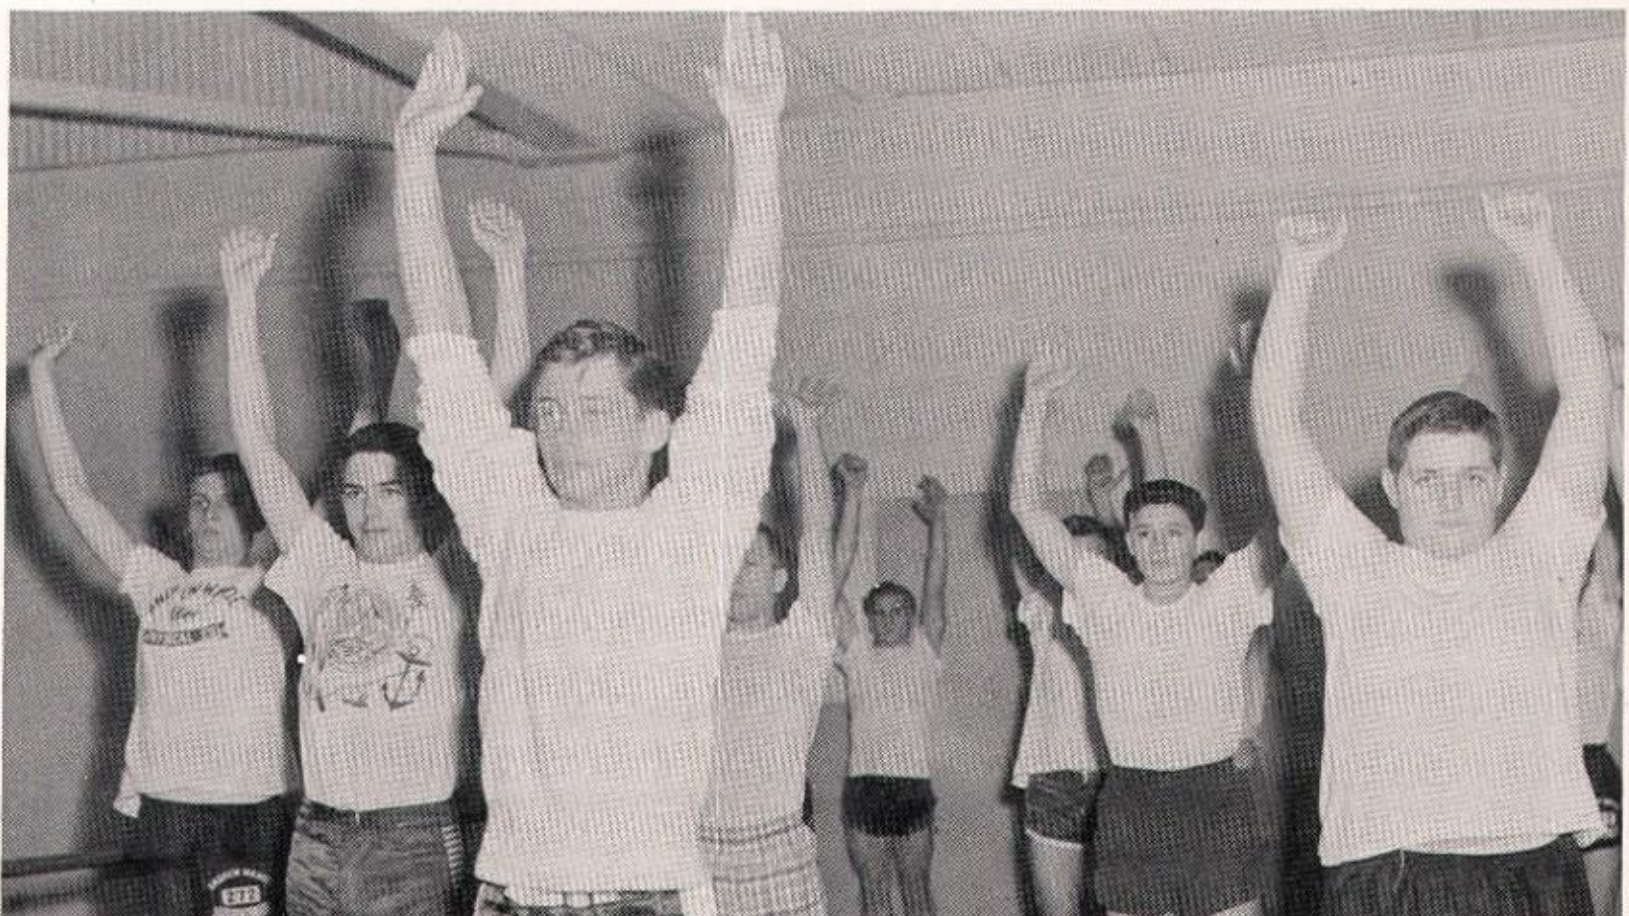

Track candidates limbering up.

Andrew Warde's first track team suffered many hardships this year, but, was able to turn out a promising and spirited team. Due to the fact that the track at Warde wasn't ready, the team couldn't begin its schedule until late in April. Until that time the team worked out on the limited facilities at Warde, and on the Ludlowe track on alternate days. The team also suffered from lack of experience, since it had no

returning lettermen from last year's Roger Ludlowe New England Champions. However, many boys from last year's Ludlowe squad, plus many new boys, came out for track, giving Coach Fern Tetreau hopes for a successful team in future seasons.

The first track meet was the Fairfield University Invitation, after which as large a schedule as possible was planned.

These underclassmen are Andrew Warde's future track stars.

Baseball candidates are intent during a pre-season movie.

Andrew Warde's baseball team, under the excellent direction of Coach Jackson, began its first season in the early, bitter days of March. Interest in this sport was exceedingly high, and approximately one hundred and fifteen boys signed up with hopes of playing on our team.

Many films which explained the basic techniques of baseball were made available to the boys. Before the weather became suitable, the candidates in pitch-

ing and catching practiced in our new gym. As spring slowly arrived, practice was held at a nearby park.

The team was led by last year's lettermen, Bob Biebel, Dave Swanson, and Dick Dakai, along with Bruce MacGregor.

Molding an inexperienced team into a winning team was the task facing Coach Jackson. His spirit and the hard work of the team resulted in a very successful season.

The National Honor Society of Andrew Warde High School came into being in January 1957 when it received its charter from the National Council and officially became a chapter of the National Honor Society of Secondary Schools. The object of the society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Andrew Warde. Membership,

which is limited to juniors and seniors, is based upon scholarship, service, leadership, and character.

The charter members of the Andrew Warde Chapter, those seniors who were elected last year, are Joan Ringelheim, Susan Sheatsley, Anne Sostowski, Emil Frankel, and Charles Chotkowski. An impressive induction in May admitted several newly honored members.

A new school, new auditorium, and new Thespian Charter set the stage for our first Thespian play. This play marked the first time that a serious vehicle, rather than the usual comedy, was presented by students of a Fairfield high school. The brand new auditorium of Andrew Warde High School was christened April 5th and 6th with the Thespian's production of Thornton Wilder's American classic, *Our Town*.

Our Town, a play about Grover's Corner's, a small town in New Hampshire, was given by the Thespians as it was produced on Broadway, with emphasis on acting and the use

of a bare stage with lighting effects. The audience recognized the cast of this successful production as established Thespians whose past performances had distinguished them.

Requirements for membership in the Thespian Society are ten points earned in any phase of dramatics during the four years of high school. The Thespian Society is under the competent direction of Mrs. Catharine Busch. The officers for this year were Louis Cepero, president; Seth Weintraub, vice-president; Barbara Butler, treasurer; Susan Sheatsley, secretary; and Gayle Griffin, scribe.

GIRLS' ATHLETIC ASSOCIATION

Each year, on the hockey field, the basketball court, and the softball diamond, many athletic minded girls endeavor to earn enough points to receive their numerals, bronze pin, and membership into the Girls' Athletic Association. Upon reaching fifteen points, she receives medal and chain and silver pin. The next goal in sight is twenty points, for which she receives a white sweater and honored membership in the "F" club.

GIRLS' "F" CLUB

For the first time in the "F" club's history, the members could be seen wearing "F"'s of both black and orange, and crimson and white. No matter what the color, each member was equally proud of the accomplishments the "F" stands for. The reward for reaching twenty points, which entitles a girl membership in the "F" club, is a treasured gold pin and sweater.

ALL STATE BAND AND ORCHESTRA

A select group of musicians and chorus members represented Andrew Warde High School at the All-State Music Festival which was held in Hartford on October 24th and 25th in the Bushnell Memorial. This group was only one among the many which represented their schools from all over the state.

The twelve musicians and chorus members from Warde, along with the members representing Ludlowe, departed by chartered bus at the early hour of 6:00 a.m. on Wednesday morning. Upon their arrival in Hartford, the students went directly to their respective rehearsal places, where many hours of preparation resulted in an excellent concert.

GIRLS' AND BOYS' STATE

Last June four Wardites, Carol Terebesi, Bob Kasvinsky, Charles Chotkowski, and Russ Jennings, were honored with the privilege and distinction of attending the Nutmeg Boys' State and Laurel Girls' State. Sponsored by the American Legion, this annual event is held at the University of Connecticut. It is part of a nation-wide program, the purpose of which is to instill in the youth of today a better understanding of government, both local and state, in order that they may be better able to run the government of tomorrow.

Both the educational and social aspects of Boys' and Girls' State are successfully combined in one program. This program which covers almost every possible interest is highlighted by the Grand Inaugural Ball.

Despite the fact that the library was not completed at the commencement of school, Andrew Warde librarians, Mrs. Mildred Plummer and Miss Eleanor Annett, could still be found busily engaged in making plans for the functioning of the library after its completion. Receiving, unpacking, numbering, and cataloguing new books were among their many tasks. With the

help of student library aides these duties were soon completed and plans for the opening of the new library were well under way.

In March the library officially opened and students and teachers were able to use and enjoy its modern facilities and limited books which in years to come will grow into a modern, up-to-date selection.

SCHOOL

This year, for the first time, the school council has been composed of both students and faculty. This influential body, establishing and enforcing school rules and students' privileges, has, through committees and commissions, played an active part in the organizing of extra-curricular and social activities. This year's school government system has provided opportunities for a maximum of students to develop interest, responsibility and leadership abilities.

Actively working even before school opened, the council held a meeting, the purpose of which was to prepare the members to guide and orient other students during the first confusing days of school. An all day School Council workshop was then held. At that time the initial problems were discussed, and suggested solutions were acted upon.

The council has striven to obtain the activities requested by the majority of the students. One of the council's most successful accomplishments has been the basketball canteens, sponsored by the Social Committee. These canteens operated on a non-profit basis and provided the students with a place to go, amid an informal atmosphere, after games.

One important function of the council has been to aid in the promotion of school spirit through pep rallies, and

through these pep rallies to build up a sense of school pride.

The council's hospitality committee has provided escorts for visitors and new students entering our school for the first time. Among its many services to the students, the service committee can boast of distributing sports schedules.

The Council has tried to make the students of Warde more aware of community activities through such committees

and commissions as finance, community chest, and service.

Above all, the council has bravely tried to set up worthwhile and lasting traditions to be followed in our school government organizations of the future. Because of the support of the student body and the administration, these attempts have been successful.

In Roger Ludlowe High School last year, the Sophomore Class began a project intended to improve relations between American and European students. This project was then turned over to the Student Council. This year in Andrew Warde High School, a commission, known as the Student Exchange Commission has worked diligently to obtain enough money to bring a European student to our school for one year. In this way it is hoped that both the American and the European students will have an opportunity to learn and understand more about one another.

With the co-operation of the entire student body, the Exchange Commission has successfully conducted various

money-making projects, such as selling newspaper subscriptions and Andrew Warde booster buttons, and sponsoring a Freshman dance and a Faculty-Student basketball game.

Warde's first assembly was sponsored by the Foreign Exchange Commission. A guest speaker from the American Field Service, an American student who had participated in the program, and a Danish exchange student presented an explanation of the foreign exchange student program.

Through these efforts next year the Commission will have the pleasure of welcoming to Andrew Warde an exchange student.

SCHOOL COUNCIL COMMITTEES

PUBLIC RELATIONS COMMISSION . . . H. Smith, A. Witsil, D. Dakai, L. Lansing, R. Ray.

The students serving on the Public Relation committee handled all the publicity for the school council events. Their principle functions were to interpret the work of the council to the whole school and to publicize the activities of the school to the entire community.

HOSPITALITY COMMITTEE . . . Row 1: D. LaBossiere, M. Buzas, M. Delorenzo, M. B. Elwood, J. Greenberg, R. Rosenberg. Row.2: S. Tower, J. Sternberg, A. Percell, M. Bergis, M. Suras, S. Carp.

Members of the Hospitality Committee have been on duty in the council room at all times during the school day. They have been available to escort any visitors or new students through our school. These committee members have also done council work and have acted as school messengers.

TRANSPORTATION COMMITTEE . . . R. Solari, J. Curtis, J. Brown, Mr. Laurner.

Providing bus transportation to any school function held out of town has been the purpose of the Transportation Committee. The members have also obtained chaperones for these buses.

SOCIAL COMMITTEE . . . J. Herman, B. Seidens, J. Brown, Miss Grover, J. Sternberg, A. Neigher.

Any social event that has been directly or indirectly sponsored by the school council has been handled by the Social Committee. For the student body the committee this year, initiated canteens that have been held after basketball games.

CLUB COMMISSION . . . V. Quinn, P. Turoczi, C. Lauri.

All of the clubs and most of the extra-curricular activities have been organized through specifications of the Club Commission. This year the Club Commission presented a charter to each certified club.

SCHOOL COUNCIL COMMISSIONS

ELECTION COMMISSION . . . P. Turoczi, Miss Harvey, J. Ringelheim, C. Humphrey, V. Navarette.

Each of the school's elections, such as for class and council officers, has been conducted by the Election Commission. The members have set up all the limitations.

COMMUNITY CHEST . . . R. Conley, L. Strauss, Miss Burgstaller, E. Frankel, L. Short.

The Community Chest Commission has initiated the "Eagle's Nest," which was this year's drive to collect money for the various charitable organizations. The contributions pledged by each student were collected and allocated to these charitable organizations.

FINANCE COMMITTEE . . . G. Brauner, C. Terebesi, R. Hillman.

The members of the Finance Committee have handled the collection of money for blanket tax. Whenever needed, they have helped plan next year's school budget.

ASSEMBLY COMMITTEE . . . Mr. German, M. Swist, G. Greenhalgh, L. Bloom, A. Shumofsky.

Although the auditorium was not ready for use most of the year, the Assembly Commission was able to sponsor rallies and entertainment. This commission's function has been to arrange for varied assembly program next year.

HANDBOOK COMMITTEE . . . J. Kraskie, B. Baker, S. Beardsley, P. Danberg.

The members of the Handbook Commission have prepared a guidebook for next year's students and teachers in our school.

CADET CHOIR

The Cadet Choir was composed of forty-five members, which consisted entirely of girls. Their aims were to acquire a group feeling, to improve their music reading ability, and to learn some basic fundamentals

in preparation for the Concert Choir. One of the biggest events of the choir was the first Spring Concert on May 3, 1957.

CONCERT CHOIR

The members of the Concert Choir gather second period in our modern music wing to practice hymns, spirituals, or popular selections from Broadway Musicals. These days of practice have enabled the

Choir to enjoy a satisfying and enjoyable season of performances. The group appeared before the Mothers' Club and Fathers' Club and participated in the annual Spring Concert.

ORCHESTRA

J. Brown, C. Tackas.

Perhaps one of the least known of all the musical organizations at Andrew Warde is the orchestra, which boasts of a select membership of nine musicians. These zealous individuals meet daily to practice and prepare themselves for the annual Spring Concert in which they display the result of their year's labor.

The orchestra, or ensemble as it should be called because of its size, is composed of stringed instruments: five violins, two cellos, one base, and a piano.

Clare Takacs, one of the outstanding members of the group, brought honors to Warde by representing the school at the Connecticut All-State Orchestra in Hartford, as well as the All-Eastern Orchestra in Atlantic City, New Jersey.

BANDS

On September 6th, Andrew Warde officially opened its doors as Fairfield's second high school, although facilities were not complete. For the first few months the band members practiced in the cellar. The band room was completed in January '57. Now in the beautifully constructed room under the very capable leadership of Mr. German, the band practices each day during 5th period.

On the football field, decked out in their dazzling new crimson uniforms and performing their marching routine, was a band of which Andrew Warde students could well be proud.

The band played for the Fathers' Club at their February meeting. Each type of instrument was demonstrated by members of the band. They explained its range and function as well as its division, such as woodwind, brass, or percussion. This gave some members a chance to show their talent with a brief solo.

A popular feature of the band's program is its Spring Concert. This gives the families and friends a chance to enjoy their work.

As each year progresses we hope that the band will continue to grow and to arouse cheering and singing, and, most of all, school spirit.

KOMIANS

Andrew Warde's junior dramatic group, working under the adopted title of Komians, found themselves in the unique position of lacking a stage on which to rehearse and perform. However, despite the difficulties, "the show must go on" and with the fine acting and strong determination of Komian players success was reached. Through a maze of coffee containers and homework papers Mrs. Katherine Busch and Miss Alice Ogalin could be seen directing student talents

in Kaufman and Hart's zany three act comedy *You Can't Take It With You*.

The play was preformed in Roger Ludlowe auditorium and the audience testified to its success with prolonged applause. The strain of tedious rehearsals and hours of worries combined with opening night jitters caused many cast members and also such leading players as Lou Cepero, Kay Levine, Seth Weintraub, and Fran Pokras to declare they would never be in another play . . . until the next one.

F.T.A.

According to its officers and active members, the first year of the Future Teachers of America at Andrew Warde was highly successful. Due to the interest shown in the Future Teachers' organization by the faculty and the guest speakers, many students have definitely decided upon a career of teaching.

This year, under the able guidance of Miss Ella Rice and Mr. Leonard Launer, the F.T.A. has enjoyed a varied and interesting program. Speakers have included the Director of Admissions from New Haven State Teachers' College, a speech therapist, and a representative from New Britain State Teachers' College. The F.T.A. members have seen films pertaining to the various areas of teaching; these pictures proved educational as well as interesting. Delegates attended two conferences in Hamden and Cheshire, Connecticut.

At the beginning of the school year, a meeting was set aside for the very impressive installation ceremony, during which the students repeated the F.T.A. pledge and lighted candles. Miss Marjorie Banks, sponsor of the Roger Ludlowe F.T.A., spoke about the work of the F.T.A., its aims and ideals, and the work that various chapters throughout the country have accomplished.

The Andrew Warde Chapter of the F.T.A. is named for Sylvia B. Johnson, former English teacher at Roger Ludlowe and one of the founders of the F.T.A. there.

Officers of the organization are Pam Hill, President; Bruce MacGregor, Vice President; Jean Herman, Recording Secretary; Mary Alice Day, Corresponding Secretary; Gail Goulding, Treasurer; and Peggy Karbovanec, Program Chairman.

Members of the F.T.A. consider future plans with a guest speaker.

THE CRIMSON CRIER

Young journalists of the "Crimson Crier" gather to discuss the next issue.

With a new school came the inevitable organization of a new newspaper. With it also came the establishment of a new concept of high school journalism. Wardites were surprised when the first "policy stating" issue of the *Crimson Crier* appeared promising the student body "more than a series of daily bulletins or gossip . . . news as it happens, the complaints as well as the compliments of readers," and "controversial matters from all sides."

A new policy of co-operative editorialship was

established with a new and enthusiastic staff. The wheels now began to roll. Reporters followed up assignments; editors proofread material, checked galleys, wrote headlines, and played Sherlock Holmes tracking down lost assignments; typists and photographers all played their part and the monthly "Crier", with the much appreciated aid of staff advisors Mr. Scott Wright, Mr. Arnold Wile, and Mrs. Charlotte Shea, reached the anxious hands of Warde readers.

Marge Kranyik, editor of the Warde Weekly, prepares for the next issue.

Each week the student body looks forward to receiving an edition of the Warde Weekly which was established in January. This newspaper functions as a separate unit, independent of the parent newspaper, *THE CRIMSON CRIER*. Through this paper the student

body was kept well informed of current happenings in and about school by the Warde Weekly. The weekly paper also afforded upcoming journalist enthusiasts the opportunity to gain experience and thus ably fill editorships of years to come.

Exciting and fascinating are two adjectives which could be used to describe a new school, a new yearbook and the very beginning of new traditions. Faced with the idea of working under such unique conditions, the first yearbook staff of Andrew Warde came up against many unusual problems, first of which was to find a place to work! Like the nomads who fold their tents, they stole silently from Smedley 8 to the art room, where they are still trying to find a permanent home for *The Flame*.

The yearbook photographers were no exception in this unusual set-up. They found themselves in the novel position of photographing men on scaffolds, painters, electricians,

and bulldozer operators, all hard at work to finish our school.

Art editor, Caryl Demarest, worked diligently planning the layout and Anne compiled the copy. Charlie headed the sales end of the yearbook and also busied himself finding new patrons. Faced with the task of compiling information to meet their deadlines, editors, Ann Newton and Sue Zaur could be seen scurrying from one place to another, calling meetings, scheduling pictures, and racking their brains for appropriate titles.

Warde's undergraduates also contributed to *The Flame* by supplying many able and willing apprentices whose time and services were necessary in publishing the yearbook.

DANCE

The first dance in our new gym was the "Dogpatch Drag" sponsored by the Sophomore Class.

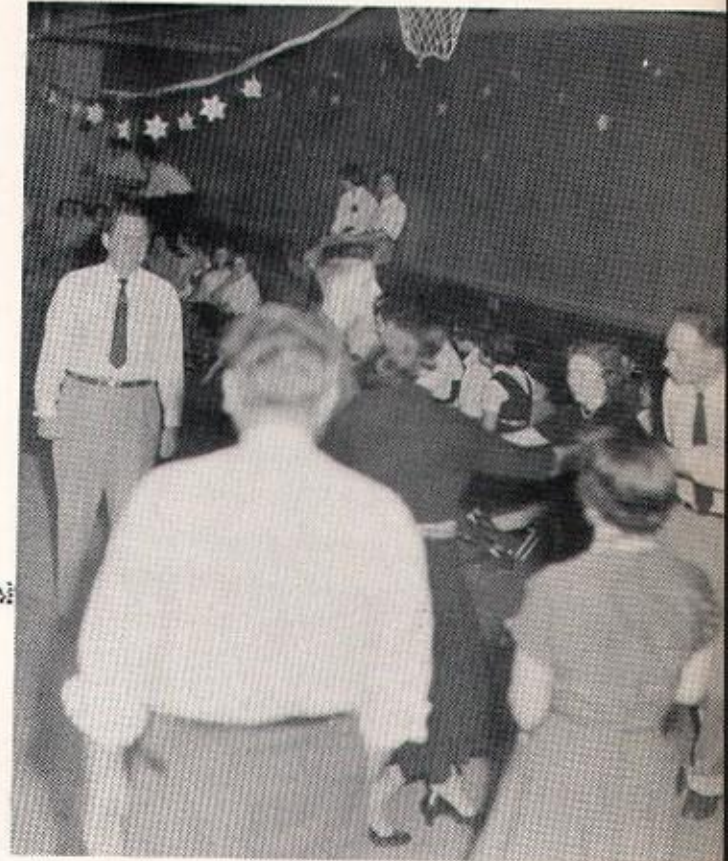

Many Andrew Warde students attended the annual Bas-sick-Fairfield Hop.

The girls as well as the boys dragged their dates to the "Dogpatch Drag."

Music was provided by Lenny Silver and his band.

FUTURE NURSES OF AMERICA

F.N.A. group with President Barbara Trenck at one of their monthly meetings.

One of the extra-curricular organizations which combines education and pleasure is the Future Nurses of America Club. The purpose of the F.N.A. is to interest students in personal and community health and to help them decide wisely about professional or practical nursing as a career.

This year the F. N. A. has enjoyed many guest speakers who spoke on various phases of nursing. The members also had the opportunity to learn about the activities of a student nurse. The senior members of the Future Nurses of America spent a day in Bridgeport Hospital, where they visited classes and toured the building.

Mrs. M. K. Malurky, R.N., was the organizer of the F. N. A. group at Andrew Warde. The advisors are Miss Anna McConnell and Miss Mary Jo Klanick. This year's officers were: Barbara Trenck, President; Judy Wittenberg, Vice-President; Janice Brown, Secretary; and Lesley Geohegan, Treasurer.

This year two Jr. Red Cross Councils were formed at Warde, one for Barlow and Mason houses and the other for Smedley and Wolcott. The councils, which were made up of homeroom representatives, had their own advisors and officers. The councils completed several projects to carry out the J. R. C. purpose, that of creating good will among young people all over the globe. This work is undertaken on local, state and national levels. Two accomplishments were the making of table decorations at Thanksgiving and the purchase of New Year's gifts for the men at the Nike Station.

The J. R. C. also sponsored a basketball game between the women faculty and the girls' varsity. The proceeds from the game went towards filling the A. W. H. S. Junior Red Cross chest. When the chest is completed, it will be sent to a foreign high school.

Miss Helen Grover was the school-wide J. R. C. advisor. Miss Eleanor Foley advised the Barlow and Mason Council. Its officers were Peg McCulloch, President; Norma Klein, Secretary; Robin Fenning, Vice-President; and Allan Schmidt, Treasurer. Miss Virginia Emery advised the Smedley and Wolcott council and its officers: Susan Setterlund, President; Marilyn Melich, Vice-President; Martha Buzas, Secretary; and Angela Renzulli, Treasurer.

Miss Grover plans future activities with Red Cross members.

FATHERS' CLUB SHOW

Getting to know you!

Bonnie Navarette sang, "He" while the rest of the Fathers' Club Show cast looked on.

AL Neigher leads the boys in "Rockabye Your Baby."

Co-operative endeavor was the secret of the success of the first Fathers' Club Show produced by two schools; Andrew Warde and Roger Ludlowe. Its theme, "A House Divided," written by Dr. Milton Lieberthal, used the real-life situation of a town being divided between two schools, and resulted in an entertaining musical comedy.

Chaos reigned when it was discovered that the school dividing line ran through the center of the Gregory house. Song, dance, and talent highlighted the confused gaiety. The peak of interest which came in the final act was a huge party given by Poppa Gregory. And so . . . thanks to director, John Scanlon, conductor, Michael German, and the band, the curtain descended on one more successful Fathers' Club Show.

Girls from Warde and Ludlowe sang and danced to "Playmates."

Barlow House Council represents the voice of Barlow students serving as a medium of expression between Barlow students and the entire school.

Under the able leadership of officers Lou Yurdin, president; Pam Hill, vice president; Wilson Lineburgh, secretary; and Betsy Boun, treasurer, and the aid of advisor Mr. Frederick Klee the Council has chalked up several impressive achievements. Among these

achievements are the establishment of many clubs, the promotion of the Eagle's Nest drive, and the establishment of a committee to organize a boy's intramural program.

Many committees were organized, such as publicity, service, social and club committees. These committees successfully worked and united to form an active representation of the Barlow student body.

Under the guidance of Mr. Stewart Cox and Miss Mary Addante and the leadership of the officers, Richard Ference, president; George Tolmie, vice president; Susan Sheatsley, secretary and Bonnie Benedetti, treasurer, Mason House Council spent a useful and profitable year serving the interest of its student body.

The Council successfully dealt with many of the problems of its students. The first important service project was the collection of canned goods for needy families. January found the Council making plans for

an honor study hall and obtaining music for each study room. The greatest accomplishment of the year was the composition and circulation of a petition in an attempt to improve road conditions in and around the school area.

Mason House benefited greatly by the Council's hard work and conscientious efforts to improve the school and meet the needs and demands of its students.

Our photographer caught this discussion during a Mason House Council meeting.

SMEDLEY HOUSE COUNCIL

Smedley House Council, a new organization and one of the first of its kind, ably met the needs of its house and its individual members.

With the aid of advisor Miss Ella Rice and the qualified leadership of capable officers — Joni Kostan, president; Chris Laurie, vice president; Dot Paskowski, secretary; and Art Olah, treasurer — the Council was able to successfully complete many beneficial projects. As a result of the efforts of Smedley Council, Smedley

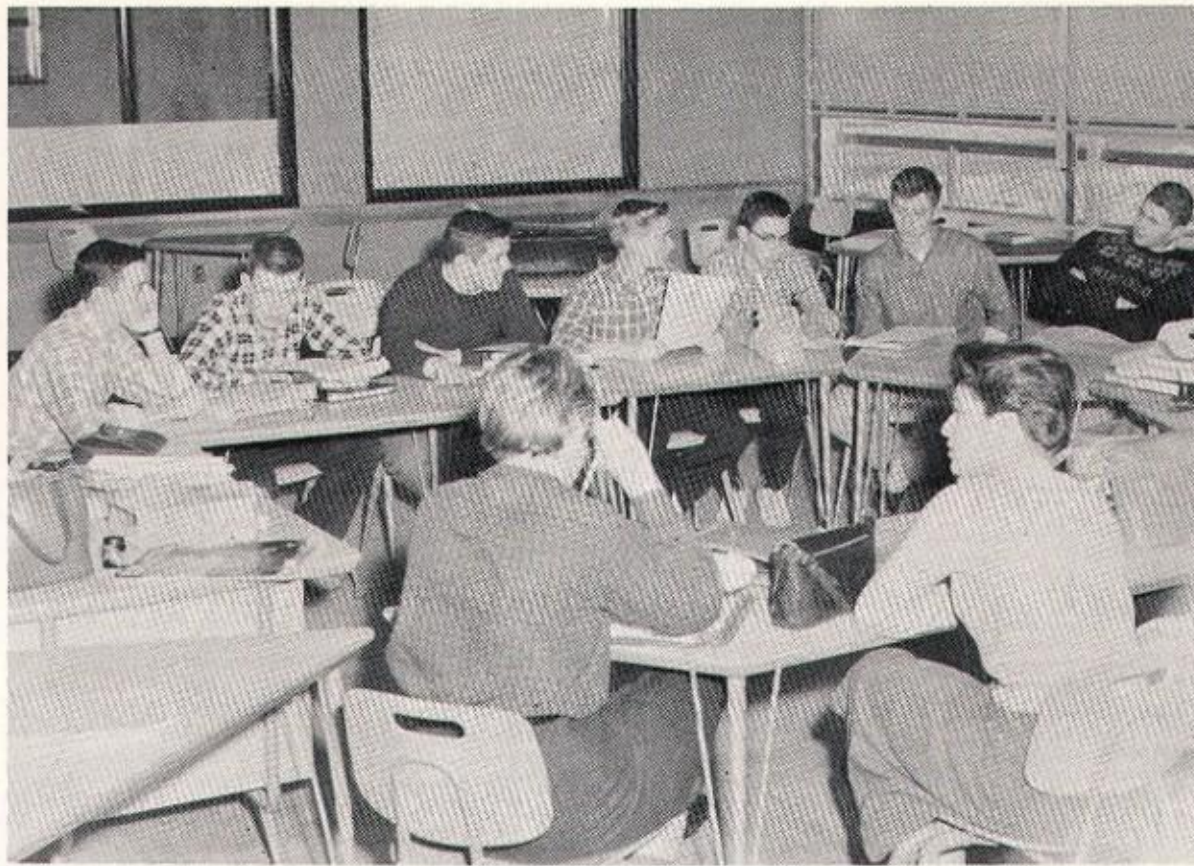

House was the first to obtain the privilege of an honor study hall. Another project was to provide, for each entrance, a map of that particular section of the school. In April, under the leadership of Smedley Council a housewide dance was organized.

Through this well organized and active group many student ideas were voiced and realized to the benefit of the Smedley students as well as the entire student body.

Members of Smedley Council are absorbed in thoughts about their future plans.

Wolcott House Council, the representative body of Wolcott students, has seen the completion of a very successful year under the guidance of Mr. Edward Barry, advisor.

The first task — the election of officers — resulted in an executive committee composed of Bruce MacGregor, president; Anita Mazas, vice president; Clara Tackas, secretary; and Fred Garrity, treasurer.

The Council's first major achievement was to pro-

vide dancing, records, games, and other supervised activities for Wolcott students to enjoy during the extra twenty-four minute interval during fourth period. The establishment of an honor study hall may also be added to Wolcott's list of accomplishments.

With the aid of Wolcott House Council, the new conception of house councils has proved itself worthwhile allowing more students to express their ideas and opinions.

"I start where the last man left off"

—Thomas A. Edison

Edison, to explain his incessant and tireless reading of scientific journals, technical papers, patents and books, said that he read to avoid useless repetition of old experiments. "I start where the last man left off."

What Edison knew, and perhaps said in an unquoted moment, is that thousands of men would be needed to "start where *he* left off."

"Just wait a little while," prophesied Edison, "and we'll make electric light so cheap that only the wealthy can afford to burn candles." Edison lived to see lamps that gave four times as much light and cost one-fifth as much to buy. And electric lighting has progressed far beyond that.

He recognized that an invention does not *end* a search. It *begins* a search.

The lamp was a beginning in forcing not only its own evolution but the evolution of meters, fuses, sockets, wiring, power distribution systems, transformers and generating stations.

He lived to see the company that was formed to carry on development of electric light and power evolve into one of the world's most important industrial research centers. Today General Electric laboratories employ several thousand men and women who are seeking new things on widely different fronts.

It is seventy-five years since Edison lit the first successful carbon lamp. He will be remembered for inventions that changed the world. But let him be remembered, too, for inspiring so many men to start where he left off.
